

# Progressive Teleologies – Essentialism 1

## Ideology critique

- **What are the basic or fundamental truths?**
  - Liberal Individualism – freedom: pursuit of happiness so long as you are not harming another.
  - Social Democracy – materialism: class conflict is the motor of history.
  - Environmentalism – science: human civilization is destroying the planet; it's own basis.
- **Why and how are these truths concealed? An: Ideology and False Consciousness**
  - Traditional Patriarchy and Fear of the Crown
  - Middle-Class Domesticity, Consumer Culture, and Family Privacy
  - Fantasies of Perpetual Economic Growth; Generational Selfishness, World North Domination.
- **How might truth be revealed? An: Speak Truth to Power and Reform Practices**
  - Declarations of Independence and the Removal of Monarchical Tyranny
  - Leftist Manifestos and the final victory of the Proletariat over Capitalism
  - Protests of Youth and Transformation to a Sustainable Economy

## Authentic actors – Essentialism 2 Voice & Participant Action Research

- **Recover the Authentic Voice of the ‘Subaltern’ GROUPS**

- American Revolutionaries – small farmer, owner-operator
- Marxist Revolutionaries – proletariat
- Eco-Revolutionaries – younger generation

- **Make their Voices Heard**

- Declarations of Independence and Disruption of Customs and Tax Offices
- Communist Manifestos and Armed Insurgencies
- Walkouts, Parades, and Social Media

- **Mobilization and Direct Action**

- Representative Government, Individual Liberties
- Collective Ownership of Property through the State
- Regulations, Incentives, and International Agreements
